

# GWOBRAU LANTRA CYMRU AWARDS

## Individual nomination form

The land-based and environmental industries are incredibly important to Wales for a whole range of reasons: high quality food and drink; maintaining and enhancing our natural resources; timber; health and welfare of animals; quality of life; leisure activities and well-being.

Lantra Cymru Awards are held with industry partners to recognise the achievements of individuals, students, employers and training providers in these areas. They also raise the profile of training and employment opportunities, highlighting the benefits to employers of a well-trained and highly skilled workforce. We are grateful to our main sponsors Farming Connect for their ongoing support for the Awards.

If you would like to enter someone for our awards, please read the following guidance, fill out the form and return it to us by **Friday 20 October 2023**.

### How to make a nomination

We welcome nominations from employers, training providers, schools, colleges or universities as long as they are for someone who either works, lives or studies in Wales.

An independent panel of employers and industry representatives judge all the entries, before asking short-listed nominees to be interviewed over Microsoft Teams/Digitally on the 6 & 7 November 2023.

The winners and runners-up will be announced at an exclusive awards ceremony and gala dinner at The Metropole Hotel & Spa, Llandrindod Wells on Thursday 18 January 2024.

### What the independent judges are looking for?

To improve your chances of success in our awards, please answer all the questions in this form carefully, using examples where possible. Judges look carefully at the reference from your nominator and will want to see evidence that you have: a passion for learning and for your job; an understanding of your industry; the potential to share your enthusiasm with others and the motivation to continue learning throughout your career. You may also have experienced the benefits of learning at work.

If you are invited along for an interview, then the judges will want to talk about some of your written answers in more detail.
